The student can have as many lessons per week as he\she wishes, a minimum of one lesson per week is required. **The invoice should be paid in full before the lessons start.** It is possible transfer a private class once per subscription to another hour or day without losing your payment if you inform the teacher at least 48 hours before the class starts. If you would like to transfer a class/classes more than once per subscription, as long as you inform the teacher at least 48 hours before the class starts, you can keep 50% of the payment for the class/classes. If you fail to give the teacher a notice 48 hours in advance or it is a “no show”, it will sadly result in a 100% loss of the payment for the class/classes.
